Unit: Displaying and comparing Quantitative Data

1. Displaying Quantitative Data with graphs

⇒ Frequency table and dot plot

Initial data → 12, 11, 13 ... (List of numbers) ...

Frequency table →

Element	frequency
11	3
12	1
13	1

Dot ~~to~~ plot

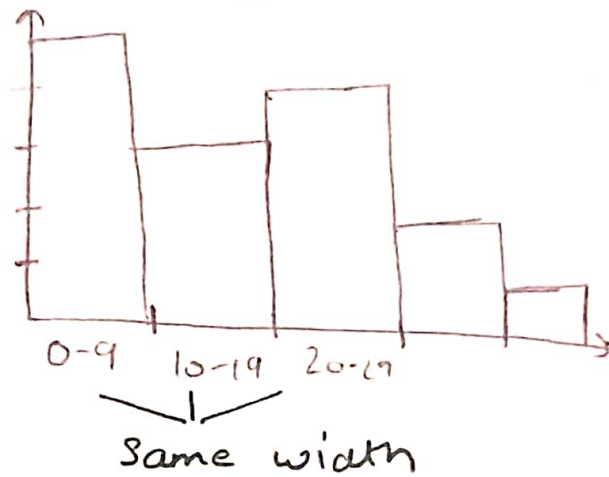

⇒ Histograms

Initial data → ... List of numbers ...

make a table →

Bucket	frequency
0-9	10
10-19	6
20-29	8
	...

⇒ make a histogram

\Rightarrow Stem \triangle leaf

0 | 2 3 {5} → 15

1 | 0 0 5 7 8

2 | 2 6 {7} → 37

3 | 0 {3} → 43

2. Describing & comparing distributions \Rightarrow

- Right tailed
- Skewed to right

left tailed,
skewed to left

Shapes of distribution
